

PUSD Budget May Top \$23 Million

Trustees of the Placentia Unified School District got their first look at 1976-77 budget figures Monday night with a projected income of \$23,713,397. A first estimate from staff, the figure is more than two million higher than last year.

Expenditures in the first estimate are anticipated around \$23 million, (more exactly \$22,913,742) with a balance outstanding of \$1,099,193.

The difference in the figures is accounted for by a July 1 beginning balance of \$672,144 and a reserve fund for special projects not approved of \$372,606.

Of the more than \$23 million anticipated, over \$19 million is expected to be budgeted for salaries and employee fringe benefits. These numbers break down to certificated salaries, \$13,536,892; classified

salaries, \$3,487,021 and fringe benefits of more than two million dollars at \$2,194,965.

Other costs anticipated are \$1,285,278 for contract services; \$447,937 for capital outlay and miscellaneous, \$484,020.

Income is estimated at \$89,394 from special federal and state resources; \$9,804,485 as the principal state apportionment (sug-

gesting an average daily attendance of around 19,000 students for the district); \$151,940 of special purpose apportionment from the state and \$327,572 in special allowances.

Income from the county is predicted at \$70,000 and local income from the property tax at \$13,270,006.

Board Trustees will first view the preliminary budget at their second

meeting in April with a first budget study session anticipated in the middle of that month.

The estimated income is up slightly from the current 1975-76 budget which has a total of \$21,400,119 in funds listed. Total expenditures are estimated at \$21,958,117; a beginning July 1 balance of \$1,230,142 and an estimated balance of \$672,144.

"There will have to be a lot of pruning and manuring of this budget," Dr. John Mullender, Assistant Superintendent of Schools of Administrative Services, making the presentation, advised trustees. "Although the total will not change drastically from what it is now, there will be a lot of shifting of priorities within it I am sure."

Bradford House Revisited

Confusion as to the meaning of the wording on the ballot concerning the Bradford House, was expressed by a group of citizens interested in saving the house, at a meeting Sunday afternoon.

The Open House was held inside the historic building on Palm Drive.

Protagonists for saving the structure expressed the belief that the building should be spared if only as a standing monument, with the possibility then of restoring and finding a viable use for the building over a longer period of time.

Mrs. Clairee Tynes, whose interest in the heritage home had led to the meeting, said that the home will be opened to the public for inside tours on the three Sundays before the issue appears on the ballot on April 13.

The tours will be conducted from 1 to 4 p.m. on March 28, April 4 and April 11. Music will be provided at some of the open houses.

Mayor Pro Tem Michael Callahan, one of those attending the session urged the group to think first of saving the house. This minimum home use would be at an estimated cost of \$8,000 for improvements plus the maintenance, it was explained.

The \$8,000 could be interpreted as one cent on the tax levy, either from new taxes or monies already on hand.

The next Placentia City Council, which will have at least two new members with the decision of Mayor Robert Lyons and Councilman Robert Langer not to seek reelection, will have the responsibility of deciding the house's fate after the vote by the people.

HISTORIC MEMORIES--accompany Alma and David Dennis as they stand once more at the foot of the hand carved stairway in Placentia's Bradford House. The Dennises lived in the house for 34 years "like part of the family," Mrs. Dennis recalled this week. Dennis first went to work for Albert Sumner Bradford, Sr., the founder of Placentia, in 1928 and then moved into the big house when its owner suffered a heart attack. Hartwell Bradford lived there and his daughter Irene, now a resident of Yorba Linda. The Dennises' daughter was married at this spot in the famous house. With the Dennises is Clairee Tynes, who organized the meeting held Sunday.

ity of deciding the house's fate after the vote by the people.

"A landmark house can't be done in a year," Callahan advised. "It takes a lot of time. It should be saved as an historical landmark and the

new city council should set up an ad hoc committee to determine its future," Callahan who is seeking reelection suggested.

Callahan said he was against the

ATTORNEY ROBERT WHITMORE--and wife Lois, stand before a painting in his law office of a scene of his birthplace in Virginia. The Whitmores have lived in Placentia since 1965 and have three married daughters.

"I am fortunate to be one of the few who live in Placentia and work in Placentia and I would like to see more people in our community have the same opportunity.

"When I am elected I will devote my efforts to this end, always remembering that government has no money at federal, state or local levels until that money is extracted from we the taxpayers...no matter how disguised or by what name...federal funds, state contributions, revenue sharing or others. It still comes out of your pay and mine before it can be spent."

The spokesman is Robert N. Whitmore, Placentia attorney, a candidate for city council in the April 13 election.

Whitmore, who has been practicing law for the past four years, was a businessman before that time and is possibly the only city council candidate to conduct his own survey on the problems Placentians consider most seriously affecting their lives.

The informal survey was taken from shoppers at local food markets and highlights five areas, Whitmore reports.

"The issues that seem to be foremost in the public mind are the drug problem, the lack of recreational areas, particularly baseball and softball fields; the absence of work opportunities; the rampant increase in taxes and the Chino Hills Airport," Whitmore lists.

Addressing himself to the issues, Whitmore adds: "I think the drug problem can be aided by the continuance of the strong law enforcement that we have and we should support the police department and other law enforcement officials to maintain a police department second to none."

"As to recreational facilities, specifically ball parks, people are concerned with the fact that their children are having to go out of the city to find a field on which Little League and the Bobettes can practice. They have to go as far away as Anaheim Hills.

"We have parks, but we don't have ball fields, specifically, softball and baseball fields. Playground areas are important for small children, but at Little League ages

Elks Withdraw From Boys Club

The members of the Placentia-Yorba Linda Elks Club have withdrawn their petition to use Boys Club facilities at the Placentia building on Crowther Avenue Robert Davis, exalted ruler of the club, said this week.

The club had the legal right to petition the Placentia City Council for a use permit to sell alcoholic beverages in an area at the Boys Club facility they wished to lease for three to four years. The original alcoholic beverage petition was turned down by the city's planning commission on a split vote of four to two.

Davis said the decision to withdraw completely from the Boys Club arrangement was made by action of the group rather than an executive decision.

Davis said also that the group has plans for other quarters which will be announced in the near future.

City Hall Open Late For Voters

The Placentia City Hall will remain open until 9 p.m. on Friday, March 12, to permit Placentians to register to vote.

The deadline for registration to vote in Placentia's General Municipal Election on April 13, is March 14, Charlene Renoe, Deputy City Clerk explained.

The subscription price of The Placentia Courier will advance from \$5 to \$6 on March 31, 1976, it was announced this week. Present and new subscribers, however, can renew or take out new subscriptions at the current rate.

Van Buren Students To Escape Boundary Change

Students attending Van Buren Elementary School in Placentia, apparently received a reprieve from boundary changes Monday night.

Under discussion for some time has been the contemplation of transferring graduating Van Buren students from their present continuing schools of Bernardo Yorba Junior High School and Esperanza High School to the older schools of Kraemer Junior High and Valencia High School, which they once attended.

Parents have come out in large numbers to a variety of meetings in protest to the transfer. Among objections was that the particular

attendance area had already been changed a number of times.

At the Monday night meeting of the Board of Trustees of the Placentia Unified School District, Al Barlow, joint chairman of the board-appointed Educational Facilities Planning Committee, reminded the PUSD board that his committee had gone on record in favor of leaving the students where they are.

John O. Tynes, Superintendent of Schools for PUSD added that he now has no plans to submit the contemplated change to the board, therefore tabling the proposal.

Tynes explained that when the district was first drawing up the

attendance boundaries for Esperanza High School, 600 homes were anticipated on the Kraemer property, east of Kraemer Boulevard, which would have filled Valencia.

"We didn't know that the building slump was going to hit," Tynes explained. "The houses stopped building...otherwise there wouldn't be any room at Valencia High School right now or at Kraemer either one. When the (Shapell) tract is filled it will generate some 2,000 students all totaled. That was the reason that the people (Van Buren School) were told (originally) they were being moved to Esperanza. What we thought was going to be true at that time is going to be true when they build the tracts."

Mrs. Jean Pappas, Trustee, in a prepared statement, told the group of Van Buren parents at the Monday night meeting: "I believe there is some inconsistency on our part in voting for this policy but not implementing it with the Sierra Vista situation." (Where petitioning parents who wished to keep their children at Sierra Vista were denied.)

"We voted in the Sierra Vista decision to move those closest to a school with space available. Our decision was based on proximity. Now we are taking the easy way out. We are avoiding World War III here and are willing to add to our costs, by transporting for several years, those

Fracas At School Leads To Threats

Telephone threats of death to the family and menacing suggestions that "someone in the family will be bombed; your home and your store will be bombed," have followed a fracas last Wednesday on the Valencia High School campus.

Charles Short, Placentia resident and local businessman said that his family has been receiving threatening telephone calls since his two highschool age sons were involved in a fight on the Valencia campus, now under investigation by the Placentia police.

The fracas also may have been

attended by outsiders who came onto the unfenced highschool grounds, police report.

Short said that his understanding was the the incident began with a minor hassle between a friend of one of his sons and another Valencia student on the day before the fight. There was a punch exchanged.

The following day, a group of students began the second disagreement with name calling. This incident was reported to the school administration with the promise that something would be done about it.

THE WILLIAM RASHFORD FAMILY--are all participating in the candidate's grassroots campaign. In the living room of their home they are (left to right) Linda, Mike, Sue Rashford, the candidate, Colleen and Timmy.

Rashford Conducts People's Campaign

William E. Rashford, a ten-year resident of Placentia who is seeking a post on the Placentia City Council, has one attribute no one else can claim.

He will celebrate his 35th birthday on election day, April 13.

An electrical engineer with the Data Processing Products Division of Hughes Aircraft Company in Fullerton, and the father of four young children, Rashford is running a grass-roots campaign on his experience in local government on the city's planning commission.

"Being on the planning commission is like an apprenticeship for the city council," Rashford explains, "and I feel like I've been a successful planning commissioner. I believe that my planning commission voting record shows that I have been sensitive to the needs of the people who live in this city."

"I am trying to run a campaign that goes out to reach the people. It's one thing to sit in an ivory tower and

say 'I think the city needs this or the city needs that' but when you get out and meet the people you find out what the people's concerns are.

"One thing I have seen as a recurring theme with people is the overcrowding of Tuffree Park and a need for an alternative. Tuffree is really the only activity park that we have and it is grossly overused.

"My suggestion is to use Kraemer Intermediate School. I think there is land there that can be used with the cooperation of the school district.

Rashford believes that the people of Placentia are concerned about cooperation between the school district and the city, especially in the areas of advanced planning. "The city should make every effort to notify the school district as far in advance as possible when development will be taking place in certain

areas." Rashford finds people also concerned about burglaries, auto theft and drugs...the crime increase. He believes this is attributable in part to a transient population segment.

On financing: "I am financially conservative, but you have to be sensitive to the needs of the community. For example, the city will have to spend money to alleviate the problem at Tuffree Park and to give the people the services they want."

Bradford House: "It would be nice to save the Bradford House but I'm concerned about spending tax dollars. I believe that the Bradford House ballot proposition is unfair because it does not give the voter any cost limit. Someone who would be willing to spend a small amount

Patrick Gavin Dies Suddenly

Joseph Patrick Gavin, who had made several land appraisals for the city of Placentia, died suddenly Monday, March 1 at Mission Community Hospital, Mission Viejo. He was 35 years of age.

Cause of the death is undetermined. He was stricken at his home in Mission Viejo and transported to the hospital.

Gavin, an appraiser with the United California Mortgage Company, had made several land appraisals here, mainly in connection with official city business. His

Dies Suddenly

work had included the appraisal of the City Hall and Library property; the five acres of city property just north of the Civic Center, the acreage at Tri-City Park and parcels of property for the Chapman Avenue widening.

Gavin, an Air Force veteran, leaves his wife JoAnne and two children, Timothy and Erin of the home and his mother, Bernadette of Long Beach.

Funeral arrangements were under the direction of McCormick Mission Mortuary.

Fight At Valencia

(Continued from Page 1)

However, the fight ensued later with a second Short son as the victim. The first son, who was in the area, then came to the assistance of his brother. A number of students were involved in the fight. The altercation was in the vicinity of the school's band room and the emergency alarm refused to work. Short reports.

One weapon involved was a dowel (ball bat) or similar instrument and one of the Short sons received a gash on his head. Paramedics were called to the school after teachers arrived at the scene of the fight.

The Placentia police report shows that several students were out into the street by the time police cars arrived and two cars from the Valencia campus then took off with police giving instructions to apprehend them.

One car was later stopped but no weapons were found inside. A second car, with adults from a local service organization parked in back of the police cars and an adult from

this car gave suggestions to the occupants of the car stopped by the police.

One adult witness on the campus said she saw students with chains and base ball bats but later said these students were leaving the campus and were not in the altercation. No weapons other than the dowel, were found at the scene or later.

Short said that it is his understanding that some of the Valencia students will be transferred to other schools. This was substantiated by Superintendent of Schools of the Placentia Unified School District, John O. Tynes.

"You hesitate to send your kids back into a situation like that," Short said with concern this week. He also has been in conference with the school's administrators.

"My kids aren't punks," Short remonstrated. "They're both in the band and one is a drum major."

Police said there are 10 to 12 suspects, many with South Placentia addresses, involved on their reports and that the investigation is continuing.

Robert Whitmore

(Continued from Page 1)

they want to play ball. They aren't interested in climbing the monkey bars.

"I think we need to develop that aspect of it, rather than a full park as we have been doing over the years. We don't have nearly enough, with everyone trying to practice at the same time."

Whitmore advocates that school properties should be used, such as the ground at Morse Avenue Elementary School, which is near his home.

The local attorney also scores the lack of employment opportunities in the city. "The council needs to actively assist the Chamber of Commerce in developing new business to provide additional employment opportunities to all segments of our population, to senior citizens, retirees, to part time and full time employment for our working age people and part time jobs for our students who are now having to go to neighboring communities for after school jobs," he advises.

"It broadens our tax base by enabling people to spend their tax money in Placentia."

Whitmore continues: "I get concerned when I see a statement that our tax rate has been lowered over the past few years from \$1.43 to \$1.22 for \$100 assessed valuation and yet the actual taxes collected according to our budget, has amounted to almost a \$2 million increase in the same period."

"It has gone from slightly over \$3 million in 1972-74 to slightly in excess of \$5 million in 1975-76, which is a 68 per cent increase."

"The thing that scares me is that projecting this on the same basis of a 68 per cent increase each two years, we're looking at a budget in excess of \$10 million in 1980 and the staggering figures in excess of \$20 million in 1984."

"The increase we've had in the last two years has increased our per capita tax from approximately \$1 per citizen to \$1.68."

"To me that is frightening. The power to tax is the power to destroy. The unfettered increase can lead to destruction sooner than you realize. Although it says here that the same thing can't happen that happened in New York, if the trend continues, we will be a little New York."

On the utility tax: "I am in favor of abolishing the utility tax. I am unalterably opposed to it. I am not in favor of using it for the general fund because then you budget it."

"The utility tax was implemented as a temporary tax. I have yet in my adult life to see a temporary tax. I don't think we should start depending on it and disguising it on the premise that we are not increasing our tax rate. It's an indirect tax, an almost hidden tax that enables the government to continue squandering our money."

"I believe we can maintain our tax rate and keep it in control. I think we can lower our taxes by more efficiently utilizing our capital

equipment and by sharing with neighboring cities on an exchange basis and perhaps looking to the private sector on a bid basis.

"If it is cheaper to do it outside, then let's do it that way. I believe that government should do as little as it has to do and only those things that can't be done within the private sector."

"That follows my basic philosophy that 'The government governs best which governs least'."

Whitmore continues: "We need to eliminate and avoid in the future any duplication of efforts by terminating those city departments that are overlapping county, state and federal programs."

"I believe in the local city government assisting people to improve their lot through the private sector, to enable them to understand and become useful citizens by developing self respect, an opportunity to find jobs and a desire to do better for their children and their loved one."

On the Chino Hills Airport: "Taking the view of the majority, I am opposed to the Chino Hills Airport for logical reasons. It would be tremendously expensive to start an airport; the proximity of the Ontario International Airport seems to obviate the need and the Ontario Airport can be expanded more economically and more quickly to accommodate the needs of North Orange County than a new one that would take between five and six years to start."

"With the freeway system, it is only a matter of about a half an hour from North Orange County to the Ontario Airport."

On the Bradford House: "I don't want to see taxpayer funds used for the Bradford House."

On the older sections of Placentia around Santa Fe Street: "I believe the southern part of the city can be developed into a tourist attraction like many around the United States. It could and should be developed and by the private sector. Admission could be charged to view it just as it is at other interesting attractions."

On the Chapman widening: "The parties involved had the right to rely on the agreements made and the general plan. In essence the current widening is a breach of contract."

City Council expenses: "I am not opposed to the city council being reimbursed for out of pocket expenses, but I am unalterably opposed to them buying fancy lunches, luxurious hotel suites and lavish entertainment at city expense."

"I'm conservative," the local attorney concludes. "I will guard the people's money like my own. I will not consider a seat on the city council as a blank check on the people's funds."

"Much of the inflation has been caused by the inefficiency and overspending of government. And of course, it mushrooms then into affecting all other sectors of our economy, both public and private."

SMILE WHEN YOU SAY THAT PODNER!—the newest of Placentia's Bicentennial fire hydrants was drawing attention at the corner of Bastanchury Road and Valencia Avenue this week. Anyone with a Bicentennial artistic urge is encouraged to contact Mrs. Olsen at 524-8339.

Dorn Transferred To New Post

Eugene Dorn, principal at Valencia High School, has been laterally transferred to the new post of Pupil Services and Staff Relations for the Placentia Unified School District, it was announced Tuesday. The appointment is effective Wednesday.

Replacing Dorn as principal at Valencia on an acting basis will be Robert E. Lee "Bob" Jones, a present assistant principal at El Dorado High School.

Guy Mannino, director of student activities at El Dorado will move into an acting position as assistant principal.

Van Buren Boundaries

who live furthest from the schools with room."

Trustee John Balducci: "I too am concerned about the inconsistency of action. To me the distinction of why is short term and long term."

Board President, Dr. William Yates, whose family was caught in the Sierra Vista boundary change (the altered section will now attend Brookhaven Elementary): "I think a tremendous amount of attention ought to be paid to established residents in this district in any motion of boundaries or any motion of students."

"My own personal feeling is that temporary as we define it here, isn't very well defined when one considers the difference between

this move for Van Buren and the move for the Sierra Vista people involved in boundary changes.

"We are dealing with an increase in cost of busing to keep the Van Buren people where they are" (Students from new construction will be bused to Kraemer and Valencia)

"And I'm in favor of it. And we rejected the Sierra Vista stability of that group because it was going to increase the cost of busing and that was basically the high point of the decision made by the board that night."

"We had a \$5,000 cost item for busing and I would guess that the cost of implementation of this policy for Van Buren alone would be greater on this item."

Bradford House

spending of a sum like \$100,000 for maximum use.

Color slides of the house, in period furnishings, which will be presented at the open houses, were previewed for those attending Sunday. Robert Edwards, 16-year-old student, attending the ceremonies, fainted during the presentation. Paramedics were called to the scene to treat him. He was released when nothing seriously wrong could be found.

Around 30 persons attended the Sunday gathering including John and Claire Tynes (he is Superintendent of Schools for the Placentia Unified School District); Dr. Marvin Stewart, Acting Assistant Superintendent for PUSD; Mayor Pro Tem and Mrs. Callahan; Councilman George De Jesus; city council candidates William Rashford and Don Holt; Mrs. Sylvia Hoskins, president of the Placentia Founder's Society; Mrs. Jo Lyons, wife of Mayor Lyons; Mrs. Jane Caswell, publisher of the Placentia Courier and the Yorba Linda Star;

Key Ranch

Orange County Senator James E. Whetmore, today announced the allocation of \$65,000 for the George Key Ranch in Orange County in federal matching funds which are granted to states and local agencies for acquisition and development of sites on the National Register of Historic Places. The Ranch is located in Placentia.

but not a large amount, has no valid choice on the ballot."

On Chapman widening: "It will fall on the next city council to see that the people who are displaced are fairly treated. Some of these people have lived there for a number of years. I felt there could have been a better treatment in the widening within the present right of way."

The Five acres: "It seems that with a little foresight, the city could have picked up that acreage at the same time the Civic Center was planned at quite a savings. By the time they decided to buy it, the zoning had been changed to commercial and therefore the prices were higher. After trying to park at the Civic Center I can see a possible use for it because all the parking left is around at the back of the library with a long walk."

On density: "I'm satisfied with the general plan for a population between 42,000 and 45,000."

On city council expense accounts: "I do not believe that city councilmen should be making money from city reimbursements. They should be paid only for their actual expenses."

On city salaries: "I recognize that the city is a limited size and I believe that it is prudent for us to maintain staff salaries at reasonable limits."

Utility tax: "I am not in favor of using the utility tax for operating funds. I do favor paying off the City Hall bonds with the utility tax since

that is why it was imposed.

Services: "I am open minded for the future and believe we should explore the level of services that the citizens of the city require."

Fire department: "I believe we now have a better fire protection at less cost. I think it was a good thing to go to the county and I am in favor of paramedics."

Rashford also agrees with going outside of City Hall for services that can be provided less expensively by private industry.

"This is a typical thing that happens in large corporations. There are natural limits to what the corporation can efficiently do," he explains. "And it may be more economical to contract for a service from the outside."

The Rashford family attends St. Joseph's Catholic Church in Placentia where Mrs. Rashford is responsible for the religious education of 600 Catholic youngsters who attend public schools. The Rashford youngsters are Colleen, 9; Mike, 8; Timmy, 4 and Linda, 3.

Rashford is a graduate of Loyola University and the University of Southern California where he earned a Masters of Science Degree in Electrical Engineering.

The candidate is supported by past and present planning commissioners Ronald Askew, Claire Herr, Lee Van Gorden among other signatures on his nomination papers.

Tract Growth On Agenda

Several views of growth in the Placentia Unified School District will be taken by the Educational Facilities Planning Committee (EFPC) when they meet at 7:30 p.m. Thursday, March 11, in the board room, 1301 E. Orangethorpe Ave.

Among the agenda topics are an overview of development of tracts in the eastern portion of the district, a progress report on acquisition of a junior high school site and a discussion of projected attendance boundaries for the John O. Tynes Elementary School and a second elementary school planned for 1977.

In addition, the committee will discuss setting up study groups to investigate all-year school, class size, cost of portable classrooms and the future of McFadden Elementary School, according to co-chairman Al Barlow.

A review of the intradistrict transfer policy also has been placed on the agenda.

The EFPC is appointed by the board of education to study growth patterns of the 35-square-mile district and recommend solutions to housing problems on short- and long-range bases.

Glenknoll To Get ECE

The planning and programming of the Early Childhood Education program at Glenknoll School got underway last month at the general association meeting, February 10. ECE will be instituted at Glenknoll during the 1976-77 school year.

A panel of ECE educators was introduced by Principal Nick Siokos. On the panel were Mrs. Sally Scott, teacher and coordinator at Glenknoll; Mrs. Pat Irot, PUSD ECE coordinator; Mrs. Connie Bannon, teacher and coordinator at Morse Avenue School; Mrs. Jo Ellen Crawford, director of evaluation and program research for PUSD; Mrs. Pat Alves, Morse parent-advisor and Mrs. Carol Downey, third grade teacher at Ruby Drive.

The ECE program will be used primarily in kindergarten through third grade. The main objective is to improve student's reading, language and math. Each child will be

assessed at the beginning of the school year and a structured curriculum will be set up for the pupil. The use of parents as aides is one of the most important parts of the program. The aides will have both outside and in-service training and will be used on a 10-1 ratio.

Systematic records will also be kept on each individual child and these will be passed from teacher to teacher as the child progresses.

The parents attending the meeting were very excited about the program

"Charlie Brown" At Valencia

"You're A Good Man Charlie Brown" a production of the Valencia High School Drama Department, will be presented on campus March 18 and 19 in the cafeteria-lounge at 7:30 p.m., by Grad Nite '76. Tickets priced at \$1.75 for adults and \$1.50 for students went on sale this week with seniors helping in the sale.

During the intermission dessert and beverages will be served by the grad nite parents and this is included in the admission price.

The two seniors who sell the most tickets for the only on-campus performances will receive free tickets to the grad nite party in June.

The Grad Nite parents meet March 10th and again on March 24 in the Valencia library.

Mrs. Phyllis Binswanger is the chairman for the "Charlie Brown" fund raising event. The students are donating their performances.

Income Tax Assistance Available

The Placentia Office of Social Services reminds residents that free income tax assistance is available every Monday evening from 7 to 10 p.m. at the Whitten Community Center, 900 S. Melrose Avenue, Placentia.

The income tax service is provided by members of Beta Alpha Psi, the accounting honor society at Cal State Fullerton, under the supervision of the Internal Revenue Service.

The service will continue through April 12; further information may be obtained by calling Social Services at 993-8178.

John Andrew Rites

A requiem Mass was celebrated Monday for Joseph John Andrew, former resident of Yorba Linda, who died at the age of 87 on March 2. He was a resident of Bloomington.

Mr. John Andrew is survived by his wife, Bernice and one brother, Philip of Newhall.

The services were at Sacred Heart Church, Redlands with interment in Hillside Memorial Park, Redlands. Funeral directions were under the Emerson-Bartlett Redlands Chapel.

He was a member of American Legion Post 277 and was a veteran of World War One. He also belonged to the Anaheim Knights of Columbus.

Pack 742 Winners

The Scouting theme for January was "Knights of the Round Table" and Glenknoll Cub Scout Pack 742 carried out the theme by competing in a golf tournament at Camelot Miniature Golf Course on January 24.

Doug Brower turned in a remarkable score of 52 for the par 54 course to win the Pack 742 championship as well as first place in the 10 year old class.

Tom Kasper placed second for 10 year olds. Nine year old winners were Marc Dillon, first; Jeff Enderson and Shayne Halverson, tied for second; Scott Greene, third.

Eight year old class winners were Chris Wood, first; Paul Shandrew, second and Ron Jones, third.

The Pack meeting opened with a parade of "Knights" with handcrafted banners and shields. A jousting tournament was held and Steve Shaffer proved himself Pack champion with a mace.

Scouting awards were presented. One year pins were awarded to Matt Merkle, Marc Dillon and Kenny Dietz. Two year pins went to James Woodyatt, Bary Cook and David Graham. Shawn Mann and Steve Shaffer received Bear badges.

Webelos receiving awards were: Barry Cook, craftsman; Randy Lewis, geologist; Ricky Rodriguez,

Free, Reduced Meals Available

In keeping with Public Law-105, the Yorba Linda School District announced a free and reduced price meal and free milk policy for children unable to pay the full price of meals and milk

served in schools under the National School Lunch and Special Milk Programs. Local school officials have adopted the following criteria for determining eligibility.

Family Size	Monthly Gross Income	Monthly Gross Income	Monthly Gross Income
1	\$0 to \$269	\$270 to \$419	
2	0 to 353	354 to 551	
3	0 to 438	439 to 683	
4	0 to 522	523 to 814	
5	0 to 599	600 to 934	
6	0 to 676	677 to 1055	
7	0 to 746	747 to 1164	
8	0 to 816	817 to 1272	

NOTE: Add \$63 for each additional family member.

Add \$98 for each additional family member.

Children from families whose income is at or below those shown are eligible for milk and meals free and reduced price meals. In addition, families not meeting this criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

They may do so by filling in the application forms sent home to parents. Additional copies are available at the principal's office in each school.

The information provided on the application will be confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year.

In certain cases foster children are also eligible for these benefits. If a family has such children living with them and wishes to

apply for such meals or milk for them they should contact the school.

In the operation of a child feeding program, no child will be discriminated against because of his race, sex, color, or national origin.

Under the provision of the policy the principal will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official he may make a request either orally or in writing to J. Elton Patridge, Deputy Superintendent, Yorba Linda School District, whose address is 5600 South Ohio, Yorba Linda, for a hearing to appeal the decision.

Hearing procedures are outlined in the policy. A complete copy of the policy is on file in each school and in the office of the Yorba Linda School District, where it may be reviewed by any interested party.

Students Provide Art Show

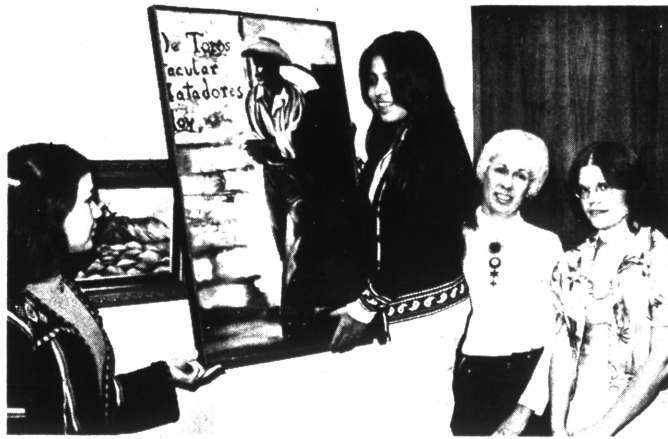

Student art is on display in the Education Center of the Placentia Unified School District during the March observance of Youth Art Month.

Work in a variety of media—oils, watercolors, ceramics and batik—are exhibited by students from the district's four high schools in the district offices at 1301 E. Orangethorpe Ave., Placentia.

The exhibition officially opened with a reception Monday. The Placentia Art Association were co-hosts with the school district. Music was provided by two El Dorado High students, Lorye Brewer on flute and Randy Walker on guitar.

Youth Art Month has been designated statewide. It was initiated nationwide in 1961 "to emphasize the value of participating art for the development of all children."

High school art teachers working on the show are Margaret Cannon and Bill

UNIQUE ART GALLERY is now open to the public in the Administrative Offices of the Placentia Unified School District, 1301 East Orangethorpe Avenue. The unusual display is of student work from the four area high schools. Here Esperanza High School student artists admire one of the works. Left to right they are Monica de Casas, Debbie Castro, Joan Higbee, the teacher, and Millie Kinsey. The display continues through March.

Wright, El Dorado; Joan Higbee, Esperanza; Richard Leverett, Valencia; and Peggy McIntosh, El Camino. The public is invited to view the art show weekdays from 8 a.m. to 5 p.m. through March.

Library Showcase

Things to see:

A rare and varied collection of authentic American Indian artifacts is currently on display in the adult services area of the library.

Included in the display are doekin war shirts decorated with intricate bead and quill work and fringed with human hairlocks.

There are also beaded gauntlets, mocassins, vests, a braided horsehair belt and many other decorative personal items.

Other articles in the collection are fine hand-woven wool blankets, a ceremonial drum, a woven reed cradleboard and numerous arrowheads.

Most of these artifacts

date from the mid-1800's and represent the practical and artistic achievements of such well known tribes as the Sioux, Pawnee and Apache. The collection will remain on display through March 13.

Two charming displays can be viewed in the Children's department also. Mrs. Luwe's second graders at Richard Nixon school depict their impressions of the month of March with paper lions and lambs and other imaginative creatures.

By John Payne, Owner - Reg. Pharmacist

Among other new applications for the ancient Chinese technique of acupuncture is the treatment of the symptoms of withdrawal from drug addiction. Victims who have been addicted to heroin or other hard drugs for as much as 50 years have been successfully kept off drugs for months and it is hoped that the effects of the treatment may last indefinitely.

Two needles are inserted, one in each ear, then connected to a source of alternating electrical current. Results start to become apparent in only 10 or 12 minutes and after an hour or so the patient, having lost the addict's lethargy, shows an unaccustomed eagerness for food.

We're eager to give you that friendly, personalized service that is our "trademark". Let us fill your next prescription. See LINDA VISTA PHARMACY also for quality vitamins and health foods.

Tar/Taste Theory Exploded.

New 9 mg. tar MERIT with 'Enriched Flavor' proves taste no longer depends on amount of tar.

Until today, cigarette flavor pretty much depended on the amount of tar that went along with it.

Regardless of "low tar, good taste" claims, regardless of fancy-filters and "space-age" filtering systems—you couldn't get high taste without high tar.

Nor low tar without low taste.

That was the theory.

Until today.

By isolating certain "key" ingredients of tobacco in cigarette smoke, ingredients that deliver taste way out of proportion to tar, researchers at Philip Morris have developed an 'Enriched Flavor' process so successful at boosting flavor, the resulting cigarette actually delivers as much—or more—taste than brands having more tar.

Up to 60% more tar.

The cigarette is 9 mg. tar MERIT. One of the lowest tar levels in smoking today. If you smoke—you'll be interested.

Taste-Tested By People Like You

9 mg. tar MERIT was taste-tested against five current leading low tar

cigarette brands ranging from 11 mg. to 15 mg. tar.

Thousands of filter smokers were involved, smokers like yourself—all tested at home*.

Even if the cigarette tested had 60% more tar than MERIT, a significant majority of all smokers tested reported new 'Enriched Flavor' MERIT delivered more taste.

Repeat: delivered more taste.

In similar tests against 11 mg. to 15 mg. menthol brands, 9 mg. tar MERIT MENTHOL performed strongly, too, delivering as much—or more—taste than the higher tar brands tested.

You've been smoking "low tar, good taste" claims long enough. Now smoke the cigarette.

MERIT. Unprecedented flavor at 9 mg. tar.

Alston Has Pennant Fever

BY WALT ALSTON
I'm optimistic about our chances in the National League West race for the 1976 season.

We've got to beat the Cincinnati Reds and I feel a healthy Dodger club can accomplish this task.

I know we have the talent to do this—we proved it in 1974 and this is almost the same club.

We got super years out of a great many fellows in 1974 who didn't match that performance in 1975 for many reasons. Mainly because we had serious injury problems. You hate to blame it on injuries, but I know how much it hurt us to lose Bill Russell, Joe Ferguson, Bill Buckner, Mike Marshall and Tommy John (Yorba Linda resident) just to name a few from the injury list that totaled about 50 for the year.

We have acquired an outstanding player in Dusty Baker. He can throw and run with the best outfielders today. Dusty is happy to be in Los Angeles and he figures to come in with a good attitude and should have an outstanding year for us in center field. I'm happy to have him.

Baker will probably bat third in the lineup, but I'll

have to wait until Spring training to make a final decision.

This club has the makings of bettering the 1974 N. L. champions. Our defense has improved. Davey Lopes has improved his play in many ways and has become one of the most exciting players in the game. Our pitching figures to be among the best in baseball and the added year experience for the youngsters should help us in many ways.

We've led the National League in earned run average the last four years and we have outstanding depth in our pitching staff for 1976.

Andy Messersmith (former Placentia resident) won 19 games for us last year and we hope he returns. Don Sutton has

been with the Dodgers 10 years and has done an outstanding job. Burt Hooton surprised many people last season with his 18 victories. His outstanding knuckle curve and his live fast ball helped him win his last 12 victories. Another Texan, Doug Rau, won 15 games last year and the 27-year-old lefty has a bright future ahead.

Tommy John will be making his comeback this season and he adds to our depth of starters. John was off to his finest season ever in 1974 when he was 13-3 and suffered a tendon tear.

He has shown great determination and he's anxious to pitch again.

Those aren't the only starters I have in mind. Veteran Al Downing can always be counted on whether as a starter or in the bullpen. Rick Rhoden showed me a lot of poise and outstanding stuff last year and the young righthander has an outstanding shot at a starting berth.

The bullpen figures to see Mike Marshall fully recovered from his rib injury of last year and ready to work at any time. Knuckleballer Charlie Hough and young Stan Wall turned in outstanding Winters for Tom Lasorda of the

Dominican League and all indications point towards great seasons ahead for both of them.

We've also got some youngsters on the way such as Dennis Lewallyn, Rex Hudson and Lance Rautzhan.

Steve Yeager and Joe Ferguson figure to battle it out again for the catching chores. Ferguson also will probably see a lot of action in right field.

My infield, which ranks among the best I've had, is pretty well set. Steve Garvey will start at first base, Davey Lopes at second, Ron Cey at third and Bill Russell at shortstop.

Guaranteed challenge:

If you're a young person looking for some real challenge, now's the time to look into the Army. From electronics to carpentry, from cooks to combat arms, the Army today has more challenging opportunities to offer than anyone.

\$361 a month to start

Army pay is better than ever. And with free meals, free lodging, and free medical and dental care, you'll be surprised how far that pay will go.

Job-training courses

Ever wonder where to get that "experience necessary" the classified ads always ask for? A good place is the Army. With hundreds of job-training courses, the Army can teach you skills you'll be glad to have later on.

Educational opportunities

Whether it's finishing high school or earning college credits, being in the Army can help you. And if you sign up for the Army's newest educational program, Project Ahead, you'll be able to start college at the same time you enlist—with the Army paying up to 75% of your tuition and fees for approved courses.

Travel opportunities

Joining the Army can mean a chance to work and live in Europe, Alaska, Hawaii, Korea, Panama or almost anywhere in the continental U.S.

Join now, go later

You can do just that—join now and report up to nine months later—with the Army's special Delayed Entry Program. A terrific option for high school seniors and others with unfinished business ahead of them.

First come, first serve.

To find out which opportunities are open and to have the best chance of getting the one you want, see your Army Representative now. The address and phone number are listed in the Yellow Pages under "Recruiting."

Y-Aztec Bicen Swim

Two months of planning is coming to fruition for the Esperanza Aztec Aquatic Boosters Club and the Yorba Linda YMCA as swimmers for Esperanza are now out canvassing the area asking for pledges or donations for the Bicentennial Swim.

The participants in the marathon will be swimming 200,000 yards in 200 minutes at Esperanza High School March 20 at 1 p.m. The money raised from the marathon will be used by the "Y" for their Backyard Swim Program and by the Boosters to purchase an aquatic scoreboard for the Aztec team.

Y director, Gary Huff, explained that many people benefit from the swim program. It is not only children that are taught to swim, but beginners of all

ages. There are also intermediate and advanced levels. In addition the "Y" offers classes for the handicapped and scuba and life saving instruction.

Unfortunately, though the North Orange County YMCA pool can be used, it is not practicable for Yorba Linda, so small private facilities must be used.

This entails, Huff stated, contracting for approximately 30 pools and a like number of instructors in order to offer a full program. The funds raised by the Aztec swimmers will be used for this program.

Being as new as the local "Y" Esperanza High School also lacks some equipment which could be considered "extras". Swimming, along with several other less well

Jeff Winsell At Cal Poly

The Cal Poly Pomona football staff has announced the addition of Jeff Winsell to its 1976 roster.

Winsell, a 6-3, 235 pound, tackle from El Dorado High School, will enroll at Cal Poly for the 1976 school year.

"We are looking forward to Jeff becoming an integral part of building our football program," said head coach Andy Vinci. "We feel he can do an excellent job at the tackle position."

Hawks Win Against Patriots

The El Dorado Hawks won their first baseball game of the season Thursday, against Lowell's Patriots with a score of 2 to 1.

The action was centered in the first innings with Hawk righthanders Tom Hazen and Jay Palmer combining their resources for the win.

The game played on the Patriot field, was the first success for the Hawks in five tries. Lowell has as yet no tallies in the win column.

known sports, is called a minor activity and, hence, falls well down on the list of optional purchases in school budgets. The Booster Club is hoping to raise enough money with the marathon to purchase an aquatic scoreboard and possibly some additional training equipment.

Booster president Jack

Watson said swimmers and other students will be identifiable by a cardinal and gold "SWIM" button and will have pledge forms to take down names and the amount of the pledge or donation.

They will also be competing for a number of prizes offered by Zody's,

McDonalds, Tastee-Freeze and Carter Bowl. The top winner will receive a digital watch, the one with the greatest number of pledges paid will get a large potted plant from The Plant Lady in Yorba Linda.

In addition, there will be choices of turquoise jewelry or athletic tote bags for

other ambitious solicitors.

For the individual or business who would care to donate \$25 or more the Boosters have a framed certificate which may be displayed acknowledging their generosity.

Rev. Stoltz Honored

The Rev. Gordon A. Stoltz, founding pastor of the Moravian Community Church, Yorba Linda, and currently serving the church in Sharon, Ohio, is the 1976 recipient of the John Hus Award from the Moravian Theological Seminary Alumni Association.

Rev. Stoltz, who will be honored at Alumni Day ceremonies on Tuesday, March 16, will be the third recipient of the award.

The award will be given Rev. Stoltz for "outstanding service and loyalty to the ministry and for

bringing distinction to the work of the ministry and the seminary."

In recognizing him, the alumni association says he "has emphasized sound Biblical preaching, compassionate counseling, deep Christian commitment and has been diligent in promoting denominational causes."

A graduate of Moravian College in 1935 and the theological seminary in 1938, Rev. Stoltz was ordained a deacon June 6, 1938 and consecrated by presbyter Sept. 26, 1945.

His initial ministerial assignment was in the rural Moravian parish of Bethel-Alice-Embsen in North Dakota, where he remained for six years.

He also served as pastor at West Salem, Ill., 1944-49; College Hill, 1949-58; Dover 1, Ohio, 1958-66; 1966-72, and Sharon, Ohio, since 1972.

A native of Canada, he is married to the former Virginia Kuhn of Bethlehem, and is the father of four daughters and a son.

Lenten Series At Redeemer

"We Have Heard It Said," will be the Lenten theme in four Lutheran churches in the Placentia area, with four pastors exchanging pulpits.

The Redeemer Lutheran Church in Placentia reports that special music will be provided by junior and senior choirs and soloists at their services.

The schedule of speakers and sermon topics at 7:30 p.m. on Wednesday include March 10, Pastor of Redeemer, Lutheran Church, Erwin Walz: "I Live A Pretty Decent Life: What More Do I Need?"

On March 17, Pastor Daniel Hansen of St.

Luke's, Fullerton: "I'm Not Sure Whom I Can Believe".

March 24, Pastor James Hale, Shepherd of the Hills, Whittier, "I've Tried Prayer And It Doesn't Work."

March 31: Pastor Louis Smith, Shepherd of the Hills, Whittier, "I Suppose Christianity Is On The Way Out."

And April 7: Pastor Leroy Miller, Faith Lutheran, Anaheim, "Frankly, I'm Bored By The Bible."

The local church reports that nursery service will be available for small children from 7:30 to 8:30 p.m. for the series.

THE LATEST STYLES will occupy the attention of local AAUW members who will present their second annual Spring Spree Fashion Show and Brunch, Saturday, March 20 at Bullocks in La Habra. The public is invited to attend. Making plans for the big event are Mrs. June Watanabe, Mrs. Dorothy Gacha, chairman of the draft group and Mrs. Eleanor Weiss, fellowship chairman.

Wednesday 'Family Night' At Rose Drive Friends

Something for the whole family -- that's what Rose Drive Friends Church offers on Wednesday evenings from 7-8 p.m. In the history of the country Wednesday night often held a churchy feel. A series of club-type programs extend the feeling, and the Christian message, to every age group at the church.

"Gems for Jesus," a unique program for kindergarten-first grade came as the brainchild of children's director, Jo Worthington. After developing the style and format, she turned the program over to capable leaders. Jan Sisson, the current director, speaks with contagious enthusiasm about "Gems."

"Each child is a gem," she reports. "We teach them how much God loves them. They are precious, they are worthwhile." You might think she had been studying a psychology book on a child's self-esteem, but Sisson holds a different slant.

"The Bible is our treasure book," she maintains. "We talk a lot about God's love and how it can filter through them. It makes things better for them and for those around them." Their Gems' Treasure Chest contains intrigu-

ing surprises for the curious youngsters -- clues, goodies and secrets.

The workers put together their own creative combination of songs, crafts and projects so the children can earn sparkly "gems" in paper crowns. No wonder the little ones love it! They can hardly wait for Wednesday night.

The club type program features more projects and large group activities than Sunday School. Take "Whirlybirds" for second and third graders, for example. They earn award insignias for their beanie by special efforts. A kindness award, father's helper award and mother's helper award reinforce positive behavior at home.

Bible lessons, songs, games, crafts, and their own Whirlybird motto all add to the program. The kids like the refreshments too. Betty Winter directs the staff of fun-loving volunteers who work with the children.

By grades four and five children in "Jet Cadets" expand their horizons around the world. Special guests report on missionaries sponsored by the church. Directed by Penny McDonnell, the department engages in their own plays

and skits, too. Their achievement ranks call for a variety of skills that prepare them for a lifetime of Bible learning and enjoyment.

The "esprit de corps" of the group takes effect among "Jet Cadets." Group activities of ice skating and roller skating take place for all who make the 500 points, an attainable goal. About three-fourths of the department qualifies for the outings.

Sixth graders enjoy the IAH Club ("I Am His") under the direction of Ken and Joanne Turnquist. Awards for the year build to a climax in the annual ring ceremony with parents attending. Each sixth grader in the program writes out his personal experience of Christ. In his own words he records how he knows "I Am His." Basic essentials of the Christian faith find reinforcement in take-home devotional books.

Junior High director Doug Clark leads the seventh and eighth graders. The Jr. Highers combine low key Bible study with high key recreation. Devotional thoughts minister to

Presbyterian Women Luncheon

Women of the Placentia Presbyterian Church will hold a Women's Fellowship Potluck Salad Luncheon at 11:30 a.m., Wednesday, March 17, St. Patrick's Day.

Guest speaker will be Dorothy Schmidt, a missionary to Japan.

the spirit while refreshments please the body. Nationball and other wholesome games release pent-up energies.

Youth director Harold Slick directs the high school activities on Wednesday night. Various teachers from the church provide a half hour of instruction on down-to-earth applications of the Christian faith. Refreshments and ping-pong (volleyball in the summer) round out their Wednesday evening.

Adults engage in Bible study geared to the practical needs of daily life. The current course, "Two

Become One" focuses on marriage and family relationships. Led by pastor C. W. Perry, it provides helpful insights from the Bible where many people are hurting.

All together a typical Wednesday draws some two hundred people to Rose Drive Friends Church, 4221 Rose Drive (at Bastanchury Rd.) in Yorba Linda. Nursery care is provided from 7 to 8 p.m.

The Wednesday activities are open to those in the community who desire to participate. Something good is happening for every member of the family.

AAUW Plans Fashion Show

The American Association of University Women is preparing for its second annual Spring Spree Fashion Show and Brunch.

The fashion show is set for Saturday, March 20 from 9 to 11:30 a.m. at Bullock's, La Habra.

The Brunch menu to be served during the fashion show includes: Golden Baked Cheese Fondue, Hash Brown Potatoes, Fruit

Compote and Beverages.

Charlie's Plants and Things will be donating live green plants to decorate each table. Each centerpiece will consist of a four inch green plant decorated with a fabric pot cover. The plants can be won by ladies who hold the lucky raffle tickets.

The Spring Spree Fashion Show and Brunch is the final Fellowships fund raiser of the year. AAUW

annually awards Fellowships to women in the United States and all over the world who are entering their final year of study toward a doctorate degree or entering one of the professions.

The public is invited to attend. Tickets may be obtained by calling Eleanor Weiss at 993-5999 or from any AAUW member. The donation is \$5.50.

Fox Choir At Friends

The 48-voice A Cappella Choir of George Fox College, Newberg, Oregon will appear in sacred concert at Rose Drive Friends Church in Yorba Linda on Sunday evening, March 14 at 6 p.m.

"We are excited about the combination of musical

excellence and spiritual fervor of these collegians," said Charles Mylander, associate pastor.

Dr. Jerry Friesen, director, reported that the singers were selected by audition from members of the student body. The high quality is reflected in an

interesting statistic. More than 80% of the members have studied voice privately.

All of the music in the program was chosen to bear on the topic, "Bring Us O Lord, Closer to Thee" (Lamentations 5:21) In this way the concert is intended to provide a message as well as choral music.

With the choir are three ensembles including "Forever Trusting" and two barbershop quartets, besides numerous soloists.

The 1976 concert is composed of sacred music in the American tradition, including representative selections from American folk hymnody, a spiritual, and an anthem from the Moravian church collection.

Additionally, the A Cappella choir will perform works from 20th century composers such as John Ness Beck's "Visions of St. John," Charles E. Ives' "Psalm 90," and Kent Newbury's "Psalm 150." The concert is rounded out with a variety of other types of music representing American choral tradition.

Fairmont PTO Meets

The next PTO general meeting for Fairmont Elementary School will be Tuesday, March 16 at 7:30 p.m. in the school commons.

Guest speaker for the evening will be Superintendent of the Placentia Unified School District, John O. Tynes.

One important topic to be covered will deal with the growth of the Placentia Unified School District and Fairmont Elementary School.

Fairmont's annual Instrumental Music Program will also be presented this evening. Grades four, five and six will perform under the direction of Mrs. Carmen Allen.

AN ESPECIAL HONOR—is bestowed upon Mrs. Leon [Bertha] Gillilan [right] as she becomes a 50-year Round Table member. Making the presentation of a plaque are Mrs. Eugene O'Neal, Round Table president and Mrs. Elbo Diaz, Federation Emblem chairman.

Juniors Make Sewing Awards

Miss Terri Lovell, a junior at El Dorado High School, was recently presented a \$50 savings bond by the Placentia Junior Round Table for her winning entry in their annual high school sewing contest. Miss Lovell's creation was a corduroy jacket and a pendleton wool plaid skirt. Second place winner Lisa Cliff and third place winner Debbie Archuleta were also students from El

Dorado High School. Judges for this event were Mickie Callahan from Cloth World and Heather Meracle from Jeannes Yardage.

ANGEL ON WHEELS

Mrs. Wilma Watts, Placentia, was awarded a certificate by the Orange County Unit of the American Cancer Society for 20 trips made in connection with the volunteer Angel on Wheels program.

Rose-Carlson

Linda Jean Carlson, daughter of Mr. and Mrs. E. J. Carlson of Yorba Linda, became the bride of Timothy Rose, son of Mrs. Margaret Rose of Garden Grove and Charles Rose of Fountain Valley.

Rev. Glen Shaffer officiated at the double ring ceremony January 17 at the Yorba Linda Friends Church. The bride was given in marriage by her father, Ed Carlson.

The bride wore a long gown of white satin with sleeves and yoke of alecon lace, designed and made by her mother. She carried a bouquet of roses and carnations.

Maid of honor was Rhoda MacKenzie of San Francisco and Julia Carlson, sister of the bride, and Julie Devaney were bridesmaids. All wore matching pink gowns and carried a nosegay of roses and carnations.

Patrick Quinn of Fullerton was best man and

Donovan McGee Jr., nephew of the bride was ringbearer. Gregory Rose, brother of the bride and Bruce McKinley of Whittier ushered.

A reception followed the ceremony at the home of the brides parents hosted by Phyllis Heckman, Sarah Noble and Betty Barton.

Mrs. Connie McGee, sister of the bride from Paxon, Alaska, attended the guest book.

The brides mother was dressed in moss green and wore a corsage of yellow roses and the grooms mother wore an aqua dress. Special guests included the brides grandmother of Downey and the grooms grandmother of Hawthorne.

The couple honeymooned at Crestline and have a Hawaiian trip planned for July.

The bride and groom are both students at Cal State Fullerton and are employed at Pacific State Hospital in Pomona.

RAYDRA INTERIORS

"Peggy's Pointers"

Even though we're a year old, I think there are many of you who aren't aware of what Raydra Interiors really is.

Raydra Interiors is a furniture store with a difference. We carry some of the finest lines of furniture available in Southern California. In addition, we have carpet, vinyl and ceramic flooring, hardwood flooring, custom draperies, woven woods, mini-blinds, and laminated shades. We carry a wide selection of upholstery fabrics, for use on new pieces as well as to recover your old ones. Our selection of wallcovering encompasses over 250 books. Add to this a very qualified decorator service, and you almost have it.

However, Raydra Interiors is located in an industrial building. Our rent is very low. Therefore, our prices are lower for the very same items you can see in all the higher-priced stores.

Come and see for yourself, and help us celebrate our first anniversary!

Sierra Vista Book Fair

Sierra Vista School's annual Book Fair will begin March 15th and will continue for four days through March 18th, according to Parent Teacher Association library chairman, Mrs. Suzanne Elmassian.

Students will again have a wide selection of entertaining books from which to choose, and may make their purchases between the hours of 2 p.m. and 3:30 p.m., in the school's Multipurpose room. A special sale is scheduled for the benefit of morning Kindergarteners on Wednesday March 17th, from 8:50 a.m. to 9:30 a.m.

Winners of the Book Fair's poster contest will be announced and presented with gift certificates at the PTA's general membership meeting, which is scheduled for March 16th. Following that meeting, parents will also have an opportunity to select special books for special youngsters.

Applications Accepted For Volunteers

The Placentia Recreation Department is now accepting applications for the 1976 summer Volunteer Program. Applications are available at the Recreation Department Office, 117 North Main Street.

The deadline for returning the completed applications to the Recreation Department office is Friday, April 16.

The Volunteer program is open to all Placentia residents between the ages of 13 and 19. The Volunteers selected will assist the full time recreation leaders in many different areas during the summer including playgrounds, arts and crafts, tiny tots, day camp, aquatics, sports, special events and others.

The Volunteer is required to work 160 hours during the eight week summer program. After successful completion of the prescribed hours and duties, the Volunteer is awarded a \$100.00 scholarship. For more information, please call 993-8232.

Yorba Cemetery Dedicated

Rededication of the restored Yorba Cemetery, the oldest private cemetery in Orange County, and probably the state, was held Friday in Yorba Linda.

Located in the newly constructed Woodgate Park, the cemetery was initially deeded to the Bishop of the Catholic Church in 1858 by Don Bernardo Yorba. The Yorba family came to this area before the Revolutionary War and marked their Bicentennial seven years ago.

Members of the Yorba

family, along with elected officials from the area, were on hand for the dedication at the site, located north of Esperanza Road, east of Fairlynn Boulevard in unincorporated area, between Yorba Linda and Anaheim.

Members of the Board, Congressman Charles Wiggins, Assemblyman Bruce Nestande, Albert Yorba and other local officials were present, including members of the Orange County Historical Commission.

Ralph Diedrich, chairman of the Orange County

Board of Supervisors, said the cemetery fell into disrepair and was heavily vandalized over the years, but some 400 members of the Yorba family and other local pioneer family members are interred in the small cemetery. A study has been completed to identify as many graves as possible and a list of those buried there has been completed.

Sometime ago, the county named the cemetery a county historic site, but it has not yet been named a state historic site. Supervisor Diedrich said.

Disneyland Awards Listed

On Wednesday, March 10, Disneyland will host its 19th Annual Community Service Awards Luncheon in the Grand Ballroom of the Disneyland Hotel, beginning at 11:30 a.m.

Attending the luncheon will be representatives from the 318 organizations in Orange County that are participating in the awards program. Also present will be civic leaders, members of the press, Disneyland

officials and other special guests.

The many county organizations will be competing for a \$10,000 Outstanding Award; two special judges awards of \$5,000 each and forty category awards of \$1,000 each.

Among those from Placentia who have submitted applications are the Alpha Center, Guild of the Placentia-Linda Community Hospital, Junior Round Table of Placentia, Placentia

Athletic Club, Placentia Jayettes, Placentia Police Department/Youth Service Bureau and the Valencia Youth Athletic Association.

From Yorba Linda: the United Methodist Youth Fellowship of Yorba Linda, Yorba Instrumental Parents Group, Bernardo Yorba Junior High School, Yorba Linda Chamber of Commerce, Yorba Linda Service League and Yorba Linda Woman's Club.

New Members For EFPC

Four changes in membership of the 30-person Placentia Unified School District Educational Facilities Planning Committee, were announced by the Board of Trustees Monday night.

New members are Virginia Blodgett replacing John Heitz, Valencia High School; Marvin Ernst for Sue Clark, Fairmont Elementary; David Hardy for Ruth Leonard, Wagner Elementary and Mary Hinkles for Lee Wilcox, Brookhaven Elementary.

Additional replacements are anticipated at the PUSD Board's next meeting.

The planning committee recently has held beleaguered meetings over controversial boundary changes with numbers of parents coming out in protest. The assignment was relayed to the lay committee by trustees of the PUSD board.

Emblem Club Will Install

Placentia-Yorba Linda Emblem Club #498 wishes to extend an invitation to all Emblem Clubs, relatives and friends of the members of Chapter #498, to their Institution on April 11, 1976.

The Institution will commence at 3 p.m. at the Orange Emblem Club #418, Elks Lodge, 211 E. Chapman Ave., Orange. Membership is open to all wives, mothers, sisters, daughters or step-daughters, over the age of 18, of a member in good standing of the Elks. The Club's Charter will remain open until July 4, 1976.

Fund-raising activities begin with a Bake Sale on Saturday, March 13 at 10 a.m. in front of Alpha Beta, 130 E. Yorba Linda, Placentia and Von's, 19651 Yorba Linda, Yorba Linda.

A Plant Party will be given by the members on Tuesday, April 6, 7:30 p.m. at the Yorba Linda Library, 18262 Lemon Dr., Yorba Linda. Plants will be on display from the "Plant Escape" corner of Kraemer Boulevard and Bastanchury Road, Placentia. All "plant lovers" are invited to attend. Any monies derived will be used for community services.

For further information, write to P.O. Box #1124, Placentia 92670 or attend the next meeting at the Yorba Linda Library, Tuesday, April 6 at 7:30 p.m., the group advises.

room. Books will be displayed and on sale to students and parents at the meeting. The Wagner School band and orchestra will perform and the 1976-1977 PTA election of officers will be held.

PLACENTIA AMERICAN LEGION Commander Ken Freel proudly surveys the progress on the organization's new American Legion Hall. The Legion, an institution in Placentia, paid cash for the old Post Office Building on Bradford Avenue and is in the process of turning it into a first class dining hall, meeting room, social center and bar area. The expansive remodeling job is being done by volunteer workers and is expected to be completed in 90 days.

Ruby-Topaz PTA Honors Two

In keeping with the precedent set last year, the Ruby Drive-Topaz PTA again presented Honorary Life Awards to two outstanding people at the association meeting held recently at Topaz Elementary School.

The Reverend John Tebay presented the award to Lorraine Kratt who served as PTA President for 1973-1975. In addition to the office of president, Mrs. Kratt has, over the past 8 years, served in almost every position on the PTA board including budget, ways and means, and publicity. Mrs. Kratt also is an interested and active member of both her community and her church and has extended her PTA activities to Kraemer Junior

High School.

Ruby Drive School's principal Wally Curl, was the second recipient of this year's Honorary Life Award. Mr. Curl, described by the staff as "the person who gives Ruby Drive its drive", has earned the admiration and respect of both parents and teachers by his hard work and genuine concern for each child at Ruby Drive.

John McClanahan, principal of Brookhaven School, presented the award to Curl and the first grade teachers, to everyone's surprise, and appreciation sang an original song entitled The Ballad of Wally Curl. Curl is also active in Little League, 4-H, Indian guides and numerous civic organizations.

Federation To Elect Here

Orange District, Junior Membership, California Federation of Woman's Clubs officers and chairman as well as presidents of the 23 clubs in the district will gather in the Placentia Round Table Clubhouse on Wednesday, March 17.

On the agenda for the evening meeting will be the election of the 1976-77 district board members.

Attending from the Yorba Linda Junior Woman's Club will be Pam Tice, president, Judy Dougal, District Dean and Ann Eaves, District Auditor.

Representing the Placentia Juniors will be Barbara Reed, president, Marty

Rogers, District Recording Secretary and Kathy Andres, District conservation chairman.

Members of the Placentia Junior Round Table who will be on hand to welcome guests from the other clubs will be Linda Ziegler, Cyndy Landwehr, Fran Mueller and Tryna Morton.

BLOCK WALLS

Members of the Placentia Beautification Commission have unanimously adopted policy for block walls on arterial streets. Block walls should be attractive, clean, in good repair and compatible with the area.

BACK ON THE WINNERS' BLOCK--Not on the top this week but at a level to be quite proud of, is El Dorado's Keith Iwanaga who placed fourth in the California state CIF tournament at Cal Poly Pomona Saturday. The determined grappler lost two heartbreakers by barest margins to keep him down from the top. In his second match of the tournament, the score was tied after both the regulation period and the overtime period; leaving the decision to the judges, who went to the opponent. In his final bout he took an early lead, only to lose it in the last minute and finish fourth.

STRUGGLE FOR CONTROL--Keith Iwanaga and his opponent from Hill engage in classic struggle in the state wrestling championship Saturday. The Hill lad was defending state champion and outscored Iwanaga in the final minute to finish third. El Dorado's other state contender, Greg Creveling, was unable to compete due to an ailing knee.

DIAMOND DUST: The Tigers lost one of their outfielders in sophomore Tony Delone. Coach Bill Borning said, "Delone broke his ankle while diving for a ball into the outfield in a practice game." Delone may be out for the season, although the Tigers hope not.

BURGLARIES
 Burglaries in Placentia for the month of February amounted to \$15,272, the Placentia Police report. The total dollar loss for the first two months of the year is \$48,530.

Dodgers Host To Prep Journalists

More than 400 high school students attended the first journalism "Career Day" at Dodger Stadium. "We were very pleased with the turnout and the response and we plan to make this an annual event," stated Dodger Vice-President Fred Claire. The students represented more than 100 high schools, including El Dorado, Esperanza and Valencia, Editors, sports editors and journalism advisors were in attendance. "Our primary objective was to provide the students with insight to the media's role in covering the Dodger team," stated Claire. Speakers who took part in the program included Bill Shirley of the Los Angeles Times, Bob Hunter of the Los Angeles Herald-Examiner, Jack Stevenson of the Associated Press, Ernie Schworck of United Press International, Stu Nahan of KABC-TV, Dodger pitcher Don Sutton, Dodger announcer Jerry Doggett and Dodger Publicity director Steve Brenner.

Golden Hawks Glide Down

REBOUND--One of El Dorado's relatively rare rebounds in Friday's CIF quarterfinals against Rowland. Pictured are (left to right) Ken Dressel (ED), Kelley Needham (R), Jim Babcock (ED), Steve Dunn (R), Rory Lovell (ED), Dave Warner (R), Blake Withers (ED), and Rusty Owens (R).

by Brian Hilderbrand
 El Dorado's quest for a third straight CIF basketball title ended abruptly last Friday night, as the Hawks were beaten, 58-39, by the Rowland Raiders at Edgewood High in West Covina. Rowland advanced to the quarterfinals against San Marino. El Dorado ends the season with a 21-7 record, the loss breaking the Hawks' seven game win streak.

The Hawks had an outstanding chance to catch the Raiders in the fourth quarter, Jim Babcock scored on a layup to bring the Hawks to within four, 37-33. But Rowland scored 10 straight points after the basket by Babcock, to blow the game open.

El Dorado started the game with their tough press, which eventually fell apart. After Rowland scored the initial basket, the Hawks ran off six straight points, their biggest lead of the game. The Raiders came back to lead the Hawks 13-8 at the end of the first period.

El Dorado stuck close to the Raiders in the second quarter, and were down by six, 27-21 at the half.

The Hawks came back from the halftime break revitalized, and things started to look up for ED. John Heller, promoted to the varsity squad from the JV team for the playoffs, opened the third period with two baskets. The Hawks were only down by four, 29-25, when Rusty Owens connected on pair of

layups and Tom Cenderelli hit with a jump shot to put the Raiders out in front by 10.

The two teams played evenly in the third period, both scoring 10 points.

Down 37-31 at the beginning of the final period, the Hawks led a rally, coming within four, but that was not good enough. Rowland outscored the Hawks, 21-8 in the final quarter to ice the victory.

Rusty Owens led the scoring for Rowland with 19 points. Tom Cenderelli had 18, and Steve Dunn put in 12 for the win. The Raiders

were 24 for 51 from the floor for 47 per cent.

Rory Lovell and Blake Withers led the Hawks with 13 and 10 points, respectively. Junior John Heller came off the bench and scored six points. El Dorado was 18 for 51 from the floor for 33 per cent.

The Hawks ended the season with these credits under their belt: 1st place champions of the Valencia Lettermen's Club Tournament; 2nd place in the Santiago Holiday Tournament; Orange League Champions (5th consecutive year); two players selected to the All-Orange League team (Blake Withers and Rory Lovell).

As El Dorado coach Nash Rivera put it, "All good

things must come to an end." But with the talented juniors on this year's squad, and a strong junior varsity team, El Dorado is sure to have success next year.

Coach Iran Novick's JV team won the Orange League crown for the second year in a row with a record of 21-3. In three years Novick has compiled a 62-8 record.
